Good afternoon President Carter and Mr. Harris,

We want to thank you for your participation in serving as a panelist and moderator for the Housing & Infrastructure Session. This session, we will explore an area-wide view of critical issues around housing, transportation, and city planning. In addition, we will focus on homelessness, segregation, mass transit, gentrification and the region's changing demographics.

The panel discussion that you will join is the “**Public Transit and Infrastructure**” scheduled on Friday, January 5th from 2:30-3:30pm.

We envision the format of the session to be a panel session with you as a speaker and Kelwin Harris as a moderator to facilitate the conversation. Also, we will allocate time at the end for questions from the audience.

To align a 30 minute prep call for the conversation, may I ask for your availability among the following dates and times? Please see below:
