Re: Ordinance Adopting the 2023 Budgets, 2024-2025 Financial Plans, and 2023-2027

Capital Programs of the Service Boards and Authority

Staff requests Board approval of the attached ordinance to adopt the 2023 Operating Budgets, 2024-2025 Financial Plans, and 2023-2027 Capital Programs of the Service Boards and the Authority, including the RTA Agency. This recommendation is made following a review of the proposed budgets and capital programs with the Service Boards at the November Board meeting and a public hearing on the proposed budgets and capital programs held on December 7, 2022. The budgets, financial plans, and capital programs defined by the ordinance are balanced, adhere to the funding amounts and recovery ratios adopted by the RTA Board in September, and meet all other statutory requirements for adoption. The budget and two-year plan are balanced by the inclusion of available federal relief funding. Metra has acknowledged a projected 2025 shortfall by including \$54.3 million of budget balancing actions in that year's proposed plan.

Previous Actions

Date	Ordinance	Purpose
5/19/22	2022-22	Approval and release of 2023 Budget and Capital Program Call
9/15/22	2022-47	Approval of 2023-2027 Operations and Capital Funding Amounts

Regional Summary

The proposed 2023 regional operating budget totals \$3.583 billion, an increase of \$364.8 million or 11.3% over estimated 2022 expense levels, but a lesser increase of 6.0% from the current 2022 budget. The Service Boards have proposed 2023 operating budgets that account for inflation and bring the transit system closer to the overall service level provided before the onset of the COVID-19 pandemic. CTA's proposed budget continues to assume essentially full service, while the proposed Metra budget incorporates a return to near pre-pandemic service levels in 2023. The proposed Pace Suburban Service budget makes permanent 89 of the route suspensions and reductions implemented in May 2020 while also adding new service offerings.

Although RTA sales tax performance has rebounded strongly, due to the slow return of riders to public transit the Service Boards' fare revenue remains severely depressed. No general fare

increases are contained in the proposed budgets, and price reductions on select passes as well as new pass options are being introduced to encourage riders to return to the transit system. Regional ridership for 2023 is assumed at 316 million, about 56% of 2019 levels.

Proposed Regional Operating Budget (in millions)

	2022 Amended Budget	2023 Proposed Budget	Change	% Change
СТА	\$1,713.6	\$1,827.6	+\$113.9	+6.6%
Metra	\$900.0	\$980.0	+\$80.0	+8.9%
Pace	\$276.3	\$303.4	+\$27.1	+9.8%
ADA Paratransit	\$228.8	\$238.5	+\$9.7	+4.3%
RTA Debt Service and JSIF	\$213.2	\$196.4	-\$16.8	-7.9%
RTA Agency*	\$43.2	\$36.9	-\$9.7	-20.9%
Total	\$3,378.5	\$3,582.8	+\$204.3	+6.0%

^{*}Agency gross expense decrease is due to the lack of grant-funded projects. The 2023 Agency net expense (funding requirement) of \$36.3 million is 3.0% higher than the 2022 budget.

In response to the sudden and lingering ridership and fare revenue losses caused by the COVID-19 pandemic, the federal government provided \$3.5 billion of relief funding in three tranches: CARES Act, CRRSAA, and ARP Act. At currently adopted sales tax levels, supporting the proposed Service Board operating expenses through 2025 is expected to require the utilization of most of the existing federal relief funding, with only a small amount projected to remain as 2026 begins.

The proposed five-year capital program totals \$5.724 billion, which is 8.8% greater than the 2022-2026 Capital Program due in large part to an increase in federal funds from the Infrastructure and Investment Jobs Act (IIJA). The budget book presents the program based on three key lenses from the Invest in Transit Strategic Plan: Core Requirements, Strategic Goals, and Priority Projects. Further, the budget focuses on the performance-based capital allocation method approved by the board in July 2021, which prioritizes advancement of projects that meet the core requirements of equity and accessibility.

The 2023-2027 Capital Program includes a funding mix of federal, state, RTA, and local sources. Funding is divided as follows: 67.9% federal formula funds, 3.9% federal discretionary funds, 19.8% state PAYGO funds, 5.7% CTA bond funds, 2.3% RTA bond funds, and 0.5% other RTA and local funding sources. RTA bonds are planned to be issued in 2023 in the amount of \$130 million to Metra. The funds were allocated to Metra as part of the 2020 agreement to distribute Rebuild Illinois funds.

Service Board Presentations and RTA Public Hearing

The Service Boards conducted their required public budget hearings in October and early November, and the CTA, Metra, and Pace Boards voted to adopt their individual budgets and capital programs at their November Board meetings.

At the November 17th RTA Board meeting and public hearing, each Service Board gave an overview of its proposed budget and capital program and responded to questions. RTA Board members' subsequent questioning stressed several common themes: business opportunities for DBE, veteran, and woman-owned firms, labor contracts, hiring difficulties, barriers to electrification, ridership, marketing, service recovery plans, capital spending priorities, and bond issuance plans. Details of the Service Boards' presentations and subsequent Q and A can be viewed from the November 17th Board meeting.

As required by the RTA Act, senior staff and Board members participated in the Board meetings of all six counties of the region during October, November, and December, presenting a summary of the regional budget and capital program. The RTA conducted its primary public budget hearing via Zoom on December 7th to provide opportunity for public comment on the proposed operating budget and capital program. Chairman Dillard presided, Executive Director Redden and various staff members presented, Communications Director Smith moderated, and Directors Carey, Coulson, Gathing, Gorman, Groven, and Ross attended. Twenty-one residents provided testimony, with most of the comments opposing the ongoing acquisition of diesel and CNG buses in the proposed capital program due to environmental impact and calling for urgent electrification of the RTA system. Additional comments included concerns about safety, reliability, and comments on the five-year strategic plan. The public hearing can be viewed on YouTube.

As of December 9th, over <u>twenty-five public comments</u> had been received via chat, email or comment card. Most pertained to the acquisition of diesel and CNG buses in the proposed five-year capital program and requested that the RTA and Service Boards move more quickly and aggressively toward a zero-emission fleet.

Operating Budget and Capital Program Summaries

CTA

CTA's proposed 2023 operating budget contains a full-schedule expense level of \$1.828 billion, an increase of \$228.5 million or 14.3% from the 2022 estimate, but a lesser increase of 6.6% from the adopted 2022 budget. Higher labor, fuel, and security expenses represent approximately 82% of the operating expense increase. Ridership is budgeted at 58% of 2019 levels, a steady improvement from the 53% estimated for 2022, and is assumed to recover to 67% of pre-COVID levels in 2025. CTA and Pace will consolidate the 1-Day, 3-Day, 7-Day, and 30-Day passes as shared passes while eliminating the previous \$5 premium. To balance expenses and meet its

required recovery ratio, CTA's proposed 2023 budget relies on \$390 million of federal COVID relief funding with the remainder projected to last through the 2025 budget year and into very early 2026, after which new funding sources will be needed to support projected expense levels.

CTA's five-year capital program has \$3.455 billion available for capital expenditures in 2023-2027 despite an estimated 10-year need of \$23.5 billion for priority projects. CTA's 2023-2027 capital funding sources are: federal formula funds 66.4%, federal discretionary funds 4.2%, state PAYGO funds 20.0%, CTA bond proceeds 9.4% and other funds 0.02%.

Key Projects in CTA's 2023-2027 Capital Program:

- Equity
 - Red Line Extension: \$340M
 - Bus Slow Zone Eliminations Program: \$15M
- Accessibility
 - All Stations Accessibility Program: \$110M
 - o Reconstruct Western Station (Brown Line): \$13M
- Sustainable Transportation
 - Articulated Electric Buses and Charging Equipment: \$134M
 - Bus Garage Electrification Chicago Garage: \$115M

CTA's 2023-2027 program is partially funded by the proposed issuance of \$327 million of 35-year sales tax-backed bonds, with \$42.3 million of capitalized interest and principal payments deferred until 2046. CTA projects that \$1.011 billion will be needed for debt service payments over the five-year capital program.

Metra

Metra's proposed 2023 operating budget totals \$980.0 million, an increase of \$120.0 million or 14.0% from the estimated 2022 expense level, but a lesser increase of 8.9% from the adopted 2022 budget. Operating expenses are rising due to inflation, contractual increases, and the planned restoration of service to near pre-COVID levels. Ridership is budgeted at 47% of 2019 levels, a significant increase from the 33% estimated for 2022, and is assumed to recover to 70% of pre-COVID levels in 2025. Upon budget adoption, the Metra Board decided to continue the flat-rate \$100 "Super Saver" Monthly Pass which was introduced in the summer of 2022. To balance expenses and meet its required recovery ratio, Metra's proposed 2023 budget relies on \$240.4 million of federal COVID-relief funding. Over the broader 2023-2025 period, Metra's proposed operating budget and financial plan utilizes \$599.2 million of relief funding, expected to exhaust in the third quarter of 2025. Metra has acknowledged this projected 2025 shortfall by including \$54.3M of additional funding or budget balancing actions in that year's plan.

Metra's five-year capital program has \$1.887 billion available for capital expenditures in 2023-2027 despite an estimated 10-year need of \$11.2 billion for priority projects. Metra's 2023-2027

capital funding sources are: federal formula funds 69.0%, federal discretionary funds 3.2%, state PAYGO funds 19.7%, RTA bond proceeds 6.9% and other funds 1.2%.

Key Projects in Metra's 2023-2027 Capital Program:

• Equity

o Auburn Park Station: \$32M

Harvey Transportation Center: \$21M

Accessibility

New Rail Cars: \$274M

Van Buren Street Station: \$16M

• Sustainable Transportation

Zero Emission Locomotives: \$36M
 Zero-Emission Trainsets: \$20M

Metra does not plan to issue any bonds in the 2023-2027 Capital Program.

Pace Suburban Service and ADA Paratransit Service

Pace's proposed Suburban Service operating budget totals \$303.4 million, an increase of \$27.0 million or 9.8% from the 2022 expense estimate and an increase of 9.9% from the adopted 2022 budget. Pace's proposed budget makes permanent the suspension of 69 routes and the reduction of 20 routes temporarily implemented at the onset of the pandemic, but also includes the launch of Pace's second Pulse arterial rapid transit (ART) route on Dempster Avenue and additional transportation network company (TNC) pilot projects. Ridership is budgeted in 2023 at 51% of 2019 levels, a marginal increase from the 50% that is estimated for 2022 and is assumed to slowly recover to about 52% of pre-COVID levels in 2025. The Suburban Service budget does not contain any fare increases and proposes the launch of new 1-day and 3-day passes also valid on CTA. At Pace's projected expense levels, maintaining balance will require the use of an additional \$178.1 million of federal relief funding and prior-year positive budget variance (PBV, associated with relief funding drawdowns in 2020 and 2021) through 2025, fully exhausting Pace's existing allocation.

Pace's proposed ADA Paratransit operating budget totals \$238.5 million, an increase of \$15.6 million or 7.0% from the 2022 expense estimate but a lesser increase of 4.3% from the adopted 2022 budget. ADA Paratransit ridership is budgeted at 95% of 2019 levels, a modest increase from the 89% estimated for 2022, and is assumed to continue recovering to 100% of pre-COVID levels in 2025. Expenses are budgeted to be offset by \$12.6 million of system-generated revenue in 2023, resulting in a funding requirement of \$225.9 million expected to be satisfied solely with Sales Tax II and state funding. The ADA Paratransit budget continues to emphasize the Taxi Access Program (TAP) as a cost-effective alternative to traditional ADA Paratransit service. Pace's budget proposes to reinstate TAP fares, which had been free since May 2020, but at a lower level of \$2 per ride versus the \$3 charged prior to the pandemic.

Pace's five-year capital program has \$381.7 million available for capital expenditures in 2023-2027 despite an estimated 10-year need of \$1.6 billion for priority projects. Pace's 2023-2027 capital funding sources are: federal formula funds 75.9%, federal discretionary funds 4.5%, state PAYGO funds 19.1%, and other funds 0.5%.

Key Projects in Pace's 2023-2027 Capital Program:

- Equity
 - o Pulse 95th Street: \$21M
 - o Paratransit Vehicle Purchase: \$19M
- Accessibility
 - Community Transit/On Demand Vehicles: \$5M
- Sustainable Transportation
 - o Southwest Division Electrification: \$94M
 - North Division Electrification: \$96M

Pace does not plan to issue any bonds in the 2023-2027 Capital Program.

RTA Agency

Proposed funding for the 2023 RTA Agency budget is \$36.3 million, 3% above the pre-COVID funding level. The proposed RTA Agency operating budget contains gross expenses of \$36.9 million, a decrease of \$9.6 million or 20.7% from the 2022 estimate because there are no 5310 projects programmed for 2023. A call for these projects is conducted in alternate years. The overall Agency operating expense level, not including future 5310 projects, is planned to increase by 3.0% in 2024 and 2025.

The RTA Agency Administrative Budget, which includes the core agency expenses for staff, facilities, information technology, office services, and professional services, comprises 47.9% of the total proposed budget or \$17.7 million. The RTA Regional Programs Budget, which includes Regional Services provided directly to the public by the RTA such as ADA Certification, Mobility Management, Travel Information Center, Customer Service Center, and Reduced Fare and Transit Benefit Programs comprises 52.1% of the total proposed budget, or \$19.2 million. The RTA Regional Programs Budget also includes all of RTA's grant-funded programs and regional capital programs, as well as RTA-funded regional studies and initiatives. Sales tax levels for 2023 and beyond appear more than sufficient to meet Agency budget funding requirements, so no need currently exists for additional relief funding for the RTA Agency.

Innovation, Coordination, and Enhancement (ICE) Funding

The adopted 2023 funding amounts ordinance modified the process initiated in the 2015 budget for the allocation of Innovation, Coordination, and Enhancement (ICE) funding to the Service Boards. Beginning with the 2023 budget, ICE funding distribution will be paused for two years to allow actual ICE amounts to be determined prior to the execution of ICE grant agreements for approved operating or capital projects, eliminating the administrative burden of managing variances of actual ICE funding from budgeted amounts.

ICE funding will continue to be allocated at the same statutory shares used for Sales Tax II and PTF II: 48% for CTA, 39% for Metra, and 13% for Pace. As shown in Schedules I-A, I-B, and II-A, ICE funding associated with the 2023 budget year will be allocated for 2025. CTA has proposed using all ICE funding for operating projects, while Metra and Pace plan to use ICE funds for capital projects.

Actions

Staff requests adoption of the attached ordinance which approves the 2023 Budgets, 2024-2025 Financial Plans, and 2023-2027 Capital Programs of the Service Boards and Authority and appropriates funds accordingly.

ORDINANCE NO.

APPROVING THE 2023 BUDGETS AND 2024-2025 FINANCIAL PLANS OF THE SERVICE BOARDS, ADOPTING THE 2023 BUDGET AND PROGRAM OF THE AUTHORITY, APPROPRIATING FUNDS FOR THE 2023 BUDGETS, ALLOCATING CERTAIN REVENUES OF THE RTA TO THE SERVICE BOARDS, ADOPTING THE 2023-2027 FIVE-YEAR CAPITAL PROGRAM, AND TAKING CERTAIN OTHER ACTIONS WITH RESPECT TO THE BUDGET AND PROGRAM FOR FISCAL YEAR 2023

WHEREAS, Section 4.01 of the Regional Transportation Authority Act (the "Act") directs the Board of Directors of the Regional Transportation Authority (the "RTA Board") to (i) appropriate money to perform the purposes of the Regional Transportation Authority (the "RTA" or the "Authority") and provide for payment of debts and expenses of the RTA, (ii) take action with respect to the budget and two-year financial plan of each of the Chicago Transit Authority (the "CTA"), the Commuter Rail Division of the Regional Transportation Authority ("Metra"), the Suburban Bus Division of the Regional Transportation Authority ("Pace", and, together with the CTA and Metra, collectively, the "Service Boards" and each, individually, a "Service Board"), as provided for in Section 4.11 of the Act, and (iii) adopt an Annual Budget and Two-Year Financial Plan for the RTA that includes the annual budget and two-year financial plan of each Service Board that has been approved by the RTA;

WHEREAS, the federal government has provided relief funding for transit via the Coronavirus Aid, Relief, and Economic Security ("CARES") Act, the Coronavirus Response and Relief Supplemental Appropriations Act ("CRRSAA"), and American Rescue Plan ("ARP") Act, allowing FTA grants for reimbursement of lost revenue and eligible expenses related to the coronavirus public health emergency, providing a mechanism to replace both RTA public funding shortfalls and Service Board fare revenue losses;

WHEREAS, COVID-19 effects which began in March 2020 are expected to continue to have a material impact on RTA ridership and fare revenue through the 2023 to 2025 planning period;

WHEREAS, pursuant to Section 4.11 of the Act, the RTA Board adopted Ordinance 2022-47 on September 15, 2022, identifying the amounts of RTA funds estimated to be available to each Service Board for operations during fiscal year 2023 and the two following fiscal years;

WHEREAS, the RTA Board adopted Ordinances 2020-20, 2021-08, and 2021-52, authorizing CTA, Metra, and Pace Suburban Service to include federal relief funding requisitioned for fare revenue replacement as operating revenue for the purpose of achieving required system-generated revenue recovery ratios;

WHEREAS, in December 2021, Illinois P.A. 102-0678 provided temporary recovery ratio relief to the RTA and Service Boards for RTA fiscal years 2021, 2022, and 2023 by waiving the

financial penalty for failing to achieve an actual 50% year-end system-generated revenue recovery ratio result, and further provided relief by allowing the regional operating budget to reflect a system-generated revenue recovery ratio of less than 50% and by allowing the ADA Paratransit budget to reflect a system-generated revenue recovery ratio of less than 10%;

WHEREAS, pursuant to Section 4.11 of the Act, each Service Board has submitted a proposed fiscal year 2023 budget and 2024–2025 financial plan to the RTA for review and approval;

WHEREAS, the proposed Metra operating budget and plan identifies the need for additional relief funding or budget balancing actions in RTA fiscal year 2025;

WHEREAS, pursuant to Section 4.01(a) of the Act, the RTA held public hearings in the metropolitan region on November 17 (in person and virtual) and December 7, 2022 (virtual), and met with the county board or its designee of each of the several counties in the metropolitan region, with respect to the proposed annual budget and two-year financial plan, and RTA staff remained after the county board meetings to receive and considered public comments on the proposed budget and financial plan;

WHEREAS, pursuant to Sections 4.01(a) and 4.11(d) of the Act, the budgets and financial plans of the Service Boards shall contain estimated expenses for contributions to be made with respect to pension and other employee benefits, and the Service Boards are required to present the RTA budgets prepared in such detail as prescribed by the Board, which have been prepared on both an accrual and a cash flow basis, and that fairly present the condition of any pension plan or trust for health care benefits with respect to retirees established by the Service Board and describes the plans of the Service Boards to meet the requirements of Sections 4.02a and 4.02b;

WHEREAS, pursuant to Sections 4.02a and 4.02b of the Act, the RTA shall continually review the payment of the required employer contributions to affected pension plans and if at any time the RTA determines that a Service Board's payment of any portion of the required contributions to an affected pension plan is more than one month overdue, it shall as soon as possible pay the amount of those overdue contributions to the trustee of the affected pension plan on behalf of that Service Board out of monies otherwise payable to that Service Board under Section 4.03.3, and the RTA shall thereafter have no liability to the Service Board for amounts paid to the trustee of the affected pension plan, and if the RTA's payment of such contributions is similarly overdue it shall pay such overdue amount out of its administrative expenses;

WHEREAS, Section 4.10 of the Act prohibits the RTA from releasing funds, other than those allocated pursuant to sections 4.03 and 4.03.1 which are allocated to the CTA under Section 4.01(d), to the CTA in any fiscal year unless a unit or units of local government in Cook County (other than the CTA) enters or enter into an Agreement with the CTA to make a monetary contribution for such year of at least \$5,000,000 for public transportation;

WHEREAS, pursuant to Section 4.03.3 of the Act, the RTA has established public funding levels in 2023 through 2025 for the Suburban Community Mobility Fund and the Innovation, Coordination, and Enhancement Fund (the "ICE Fund") that change proportionately with the percentage change in estimated RTA sales tax receipts;

WHEREAS, RTA Ordinance 2022-47 paused the distribution of ICE Fund amounts to the Service Boards for two fiscal years, with actual 2023 ICE Fund amounts expected to be allocated with the 2025 funding amounts, to be utilized by the Service Boards for proposed operating or capital projects subject to a process that meets the requirements of the RTA Act;

WHEREAS, pursuant to Section 2.01d of the Act, the RTA has established public funding levels in 2023 through 2025 for the ADA Paratransit Fund;

WHEREAS, pursuant to Section 4.11(a) of the Act, the RTA Board shall review the interim 2023 results for the provision of Regional ADA Paratransit service operations, and the written report of the Executive Director related thereto, no later than September 15, 2023, and shall amend the 2023 budgets of the Authority and the Service Boards to provide for additional funding for the provision of ADA Paratransit services, if needed;

WHEREAS, the RTA will reimburse the purchase of excess liability and terrorism insurance by the RTA system's Loss Financing Plan and Joint Self Insurance Fund to provide system protection against catastrophic loss;

WHEREAS, on January 18, 2018, and pursuant to Section 2.01a of the Act, the RTA Board adopted Ordinance 2018-02 approving the current Regional Transit Strategic Plan (the "Strategic Plan"), which delineates a number of regional goals and objectives;

WHEREAS, the provisions of this Ordinance comport with the goals and objectives set forth in the Strategic Plan;

WHEREAS, pursuant to Section 2.01b of the Act, the Authority shall each year adopt a Five-Year Capital Program that shall include each capital improvement to be undertaken by or on behalf of a Service Board; provided that the Authority finds that the improvement meets any criteria for capital improvements contained in the Strategic Plan, is consistent with any sub-regional or corridor plan adopted by the Authority, and can be funded within amounts available with respect to the capital and operating costs of such improvement;

WHEREAS, pursuant to Section 4.01 (h) of the Act, no Service Board shall undertake any capital improvement which is not identified in the Five-Year Capital Program;

WHEREAS, in order to ensure a continued responsible allocation of transit funding as well as to further regional financial transparency, the RTA Board adopted Ordinance 2021-39 on July 15, 2021, approving a performance-based capital allocation process that was developed in collaboration with the Service Boards;

WHEREAS, pursuant to Section 2.01b of the Act, the RTA conducted a virtual public hearing on December 7, 2022, with respect to the proposed Five-Year Capital Program, providing an opportunity for input by residents of the RTA region, and has considered the public comments on the proposed capital program resulting from such hearing;

WHEREAS, the Five-Year Capital Program included with this Ordinance is based on capital program submittals from the RTA and Service Boards, and if the RTA Board makes any amendments to the estimates of capital funding available based on subsequent federal or state actions, the Service Boards will be required to adjust their capital programs to reflect such revised estimates;

WHEREAS, unfavorable economic conditions in prior years required the RTA to deplete its fund balance to provide funds to the Service Boards, and to allocate, rather than reserve, financial resources in an effort to preserve operating stability;

WHEREAS, RTA 2016 Budget Ordinance 2015-55 rescinded the provisions of the Fund Balance Policy adopted by Ordinance 98-15 and the provisions of the Fund to Budget Policy adopted by Ordinance 91-9;

WHEREAS, in accordance with the RTA Reserve Policy implemented in October 2015, the Service Boards have an ongoing responsibility to maintain individual reserve plans which will address any structural funding or operating revenue reductions or expense increases with remedial actions, and that the Service Boards have shared updated reserve plans with the RTA as required by the 2023 Budget Call;

WHEREAS, the RTA will continue to exercise its short-term borrowing authority to manage delays in State funding;

WHEREAS, the RTA will attempt to minimize the impact on Service Board funding levels from financial transactions that are sensitive to prevailing interest rates, collateral calls, and arbitrage penalties;

WHEREAS, the RTA Board held a regular Board meeting on November 17, 2022, to review the details of the Service Boards' proposed budgets and capital programs with representatives from each of the Service Boards; and

WHEREAS, the RTA Board has determined that it is in the best interest of the RTA to take the following actions in order to carry out its powers and duties under the Act.

NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF DIRECTORS OF THE REGIONAL TRANSPORTATION AUTHORITY THAT:

ARTICLE I INCORPORATION OF PREAMBLES

The preambles of this ordinance are hereby incorporated into this text as if set out herein in full.

ARTICLE II APPROVAL OF BUDGETS AND FINANCIAL PLANS

<u>Section One</u>: Service Board Budgets and Financial Plans

- 1.1 In compliance with the Act, the RTA has received and reviewed the proposed budgets for 2023 and financial plans for 2024 and 2025, of each of the Service Boards.
- 1.2 With respect to the proposed budget and financial plan submitted by CTA (as summarized in Schedule I-B), the RTA finds as follows:
 - (a) the CTA budget and plan shows a balance between (i) anticipated revenues from all sources, including operating subsidies and application of Service Board fund balances, and (ii) the cost of providing the services specified and of funding any operating deficits or encumbrances incurred in prior periods, including provision for payment when due of principal and interest on outstanding indebtedness;
 - (b) the CTA budget and plan shows cash balances, including the proceeds of any anticipated cash flow borrowing, sufficient to pay with reasonable promptness all costs and expenses as incurred;
 - (c) the CTA budget and plan provides for a level of fares or charges and operating or administrative costs for the public transportation provided by or subject to the jurisdiction of CTA sufficient to allow CTA to meet or exceed its required system-generated revenue recovery ratio, as set forth in Schedule I-C;
 - (d) the CTA budget and plan is based upon and employs assumptions and projections which are reasonable and prudent;
 - (e) the CTA budget and plan has been prepared in accordance with sound financial practices;
 - (f) the CTA budget and plan meets the other financial, budgetary, or fiscal requirements that the RTA has established; and
 - (g) the CTA budget and plan is consistent with the goals and objectives adopted by the RTA in the Strategic Plan.
- 1.3 With respect to the proposed budget and financial plan submitted by Metra (as summarized in Schedule I-B), the RTA finds as follows:
 - (a) the Metra budget and plan shows a balance between (i) anticipated revenues from all sources, including operating subsidies and application of Service Board fund balances, and (ii) the cost of providing the services specified and of funding any operating deficits

or encumbrances incurred in prior periods, including provision for payment when due of principal and interest on outstanding indebtedness;

- (b) the Metra budget and plan shows cash balances, including the proceeds of any anticipated cash flow borrowing, sufficient to pay with reasonable promptness all costs and expenses as incurred;
- (c) the Metra budget and plan provides for a level of fares or charges and operating or administrative costs for the public transportation provided by or subject to the jurisdiction of Metra sufficient to allow Metra to meet or exceed its required system-generated revenue recovery ratio, as set forth in Schedule I-C;
- (d) the Metra budget and plan is based upon and employs assumptions and projections which are reasonable and prudent;
- (e) the Metra budget and plan has been prepared in accordance with sound financial practices;
- (f) the Metra budget and plan meets the other financial, budgetary, or fiscal requirements that the RTA has established;
- (g) the Metra budget and plan is consistent with the goals and objectives adopted by the RTA in the Strategic Plan.
- 1.4 With respect to the proposed budget and financial plan submitted by Pace for Suburban Service (as summarized in Schedule I-B), the RTA finds as follows:
 - (a) the Pace Suburban Service budget and plan shows a balance between (i) anticipated revenues from all sources, including operating subsidies and application of Service Board fund balances, and (ii) the cost of providing the services specified and of funding any operating deficits or encumbrances incurred in prior periods, including provision for payment when due of principal and interest on outstanding indebtedness;
 - (b) the Pace Suburban Service budget and plan shows cash balances, including the proceeds of any anticipated cash flow borrowing, sufficient to pay with reasonable promptness all costs and expenses as incurred;
 - (c) the Pace Suburban Service budget and plan provides for a level of fares or charges and operating or administrative costs for the public transportation provided by or subject to the jurisdiction of Pace sufficient to allow Pace to meet or exceed its required system-generated revenue recovery ratio, as set forth in Schedule I-C;
 - (d) the Pace Suburban Service budget and plan is based upon and employs assumptions and projections which are reasonable and prudent;
 - (e) the Pace Suburban Service budget and plan has been prepared in accordance with sound financial practices;
 - (f) the Pace Suburban Service budget and plan meets the other financial, budgetary, or fiscal requirements that the RTA has established; and
 - (g) the Pace Suburban Service budget and plan is consistent with the goals and objectives adopted by the RTA in the Strategic Plan.
- 1.5 With respect to the proposed budget and financial plan submitted by Pace for ADA Paratransit service (as summarized in Schedule I-B), the RTA finds as follows:

- (a) the Pace ADA Paratransit Service budget and plan shows a balance between (i) anticipated revenues from all sources, including operating subsidies and application of Service Board fund balances, and (ii) the cost of providing the services specified and of funding any operating deficits or encumbrances incurred in prior periods, including provision for payment when due of principal and interest on outstanding indebtedness;
- (b) the Pace ADA Paratransit Service budget and plan shows cash balances, including the proceeds of any anticipated cash flow borrowing, sufficient to pay with reasonable promptness all costs and expenses as incurred;
- (c) the Pace ADA Paratransit Service budget and plan provides for a level of fares or charges and operating or administrative costs for the public transportation provided by or subject to the jurisdiction of Pace sufficient to allow Pace to meet or exceed its required system-generated revenue recovery ratio, as set forth in Schedule I-C;
- (d) the Pace ADA Paratransit Service budget and plan is based upon and employs assumptions and projections which are reasonable and prudent;
- (e) the Pace ADA Paratransit Service budget and plan has been prepared in accordance with sound financial practices;
- (f) the Pace ADA Paratransit Service budget and plan meets the other financial, budgetary, or fiscal requirements that the RTA has established; and
- (g) the Pace ADA Paratransit Service budget and plan is consistent with the goals and objectives adopted by the Authority in the Strategic Plan.
- 1.6 Pursuant to Section 4.11 of the Act, the 2023 budgets and 2024-2025 financial plans for CTA, Metra and Pace, as presented in the attached Schedule I-B, are hereby approved.
- 1.7 As authorized by Section 4.11 of the Act, the RTA Board hereby directs that, no more than 40 days after the end of each fiscal quarter, each Service Board is required to report to the RTA its financial condition and results of operations and the financial condition and results of operations of the public transportation services subject to its jurisdiction, as of the end of and for such quarter, for review by the RTA for conformity with the approved budget for such period.

Section Two: RTA Budget and Financial Plan

The RTA Board has received and reviewed the proposed budget and financial plan of the Authority as summarized in Schedule I-A. The 2023 budget and 2024-2025 financial plan for the Authority is hereby approved and the RTA Board finds as follows:

- (a) The Authority budget and plan shows a balance between anticipated revenues from all sources and anticipated expenses, including the funding of operating deficits and the discharge of encumbrances incurred in prior periods and payment of principal and interest on outstanding indebtedness when due, as summarized in Schedule I-A.
- (b) The Authority budget and plan shows cash balances sufficient to pay with reasonable promptness all obligations and expenses as incurred, as summarized in Schedule I-E.
- (c) A waiver of the statutory system-generated revenue recovery ratio requirements is in place for RTA fiscal year 2023, which is budgeted at 45.8% for the region, apart from ADA Paratransit service, and at 7.5% for ADA Paratransit service, as summarized in

Schedule I-C. The Authority 2024 and 2025 plans show that the level of fares and charges for public transportation provided by, or under grant or purchase of service contracts of, the Service Boards is sufficient to cause the aggregate of all projected system-generated revenues from such fares and charges received, apart from ADA Paratransit service, to equal at least fifty percent (50%) of the aggregate cost of providing such public transportation, and at least ten percent (10%) for ADA Paratransit service, as required by the Act.

- (d) The Authority budget and plan is based on and employs assumptions and projections which are reasonable and prudent.
- (e) The budgeted administrative expenses of the RTA Agency, as defined in Section 4.01 (c) of the Act, do not exceed the maximum expenses permitted for 2023.
- (f) The Authority budget and plan is consistent with the goals and objectives adopted by the Authority in the Strategic Plan.

ARTICLE III ADOPTION OF THE FIVE-YEAR CAPITAL PROGRAM

Section One: Adoption of the Five-Year Capital Program

The RTA Board has received and reviewed the 2023-2027 Five-Year Capital Program presented by the Service Boards. The RTA Board hereby adopts the Five-Year Capital Program Revenues and Expenditures attached as Schedule II-A and Schedule II-B, subject to continuing review by the RTA.

Section Two: Prohibition on Capital Projects Not Included in the Program

Pursuant to Section 4.01 (h) of the Act, no Service Board shall undertake any capital improvement which is not identified in the Five-Year Capital Program.

Section Three: Applications for Federal and State Capital Grants, Loans and Other Funds

In accordance with Section 4.02 (b) of the Act, each Service Board is directed to provide notice to the RTA of its intent to file any application for federal or state capital grants, loans or other funds prior to making any such application, and to file a copy of any such application with the RTA. No Service Board shall apply for or receive any capital grant or loan unless it is identified in the RTA Five-Year Capital Program and is consistent with the RTA Strategic Plan.

Section Four: RTA Bond Projects

There is \$130 million in RTA bond proceeds programmed for 2023 to be used by Metra to fund a set of projects that, upon completion, would have a weighted average useful life of at least 20 years or, when combined for the region as a whole, would have a weighted average useful life of at least 20 years. Additionally, Metra must maintain, and provide to the RTA, the appropriate records necessary to satisfy any continuing disclosure requirements.

Section Five: Future Capital Allocations

Federal formula funds and state PAYGO funds are allocated based on historic splits for 2023 and

2024; beginning in 2025 the split of federal formula and PAYGO funds is based on the Performance-Based Capital Allocation Structure developed collaboratively between the RTA and the Service Boards and adopted by the RTA Board on July 15, 2021 (2021-39). The allocation method is guided by three principles: Addressing Capital Reinvestment Need, Incentivizing Capital Expenditure Performance, and Advancing Policy Priorities. Prioritization of state funding shall be consistent with the process required by Section 2.39 of the Act.

Since an allocation methodology has not been established for withheld funds, the 2027 withheld funds will not be set-aside at this time and instead should be programmed by the Service Boards, like the calculated set-asides for 2025 and 2026. Discussions for determining how to redistribute withheld funds will continue following the adoption of the 2023 regional strategic plan.

ARTICLE IV APPROPRIATION OF FUNDS AND CERTAIN OTHER ACTIONS

Section One: Appropriation for Each Service Board

The following amounts for 2023 are appropriated for payment to each Service Board from the enumerated sources of funds and for the specified objects and purposes.

1.1 Statutory RTA Sales Taxes

There is appropriated, from the taxes collected under Section 4.03, for expenditure by each Service Board pursuant to the 2023 budget approved for such Service Board in Article II, the amount required by Sections 4.03.3 (a) and 4.03.3 (b) of the Act. The estimated amount of each appropriation is specified as "Part I Sales Tax Allocation" on Schedule I-D. After receipt by the RTA of the proceeds of taxes imposed pursuant to Section 4.03 of the Act, the Executive Director of the RTA shall provide for the payment to each Service Board the specified appropriation.

1.2 Statutory RTA Sales Taxes and Public Transportation Funds

There is appropriated, from taxes imposed pursuant to Section 4.03 of the Act and Public Transportation Fund receipts received pursuant to Section 4.09 of the Act, to Pace for expenditure for ADA Paratransit Services, the amount required by Section 4.03.3 (c). The estimated amount of the appropriation is specified as "Part II Allocation; RTA Total for ADA Paratransit Service" on Schedule I-D. The RTA Board directs Pace to provide to the RTA any information requested by the Executive Director that is, in the judgment of the Executive Director, necessary to estimate the difference between (i) the projected final 2023 operating deficit of ADA Paratransit service and (ii) the total amount of funding from all sources estimated to be available for 2023 operations of ADA Paratransit service (such difference, the "Shortfall Amount"). The Shortfall Amount, if any, shall be established by the Executive Director prior to August 15, 2023 by examining the ADA Paratransit service year-to-date operating results through the second quarter of 2023, and, after being approved by the Chairman of the RTA Board and the Chairman of the Finance Committee of the RTA Board, shall be submitted to the RTA Board together with a certification from Pace that additional funds equal to the Shortfall Amount are

necessary for 2023 ADA Paratransit service operations. Such certification shall be accompanied by a report describing Pace's efforts to implement reasonable and appropriate cost savings and revenue raising measures related to ADA Paratransit service.

- (b) There is appropriated, from taxes imposed pursuant to Section 4.03 of the Act and Public Transportation Fund receipts received pursuant to Section 4.09 of the Act, to Pace for expenditure for Suburban Community Mobility, the amount required by Section 4.03.3. The estimated amount of the appropriation is specified as "Part II Allocation; RTA Suburban Community Mobility Fund (SCMF) to Pace" on Schedule I-D.
- (c) There is appropriated, from taxes imposed pursuant to Section 4.03 of the Act and Public Transportation Fund receipts received pursuant to Section 4.09 of the Act, to the Innovation, Coordination, and Enhancement (ICE) Fund the amount required by Section 4.03.3 (c). The estimated amount of the appropriation is specified as "Part II Allocation; RTA Innovation, Coordination & Enhancement (ICE)" on Schedule I-D.
- (d) There is appropriated, from taxes imposed pursuant to Section 4.03 of the Act and Public Transportation Fund receipts received pursuant to Section 4.09 of the Act to each Service Board for expenditure pursuant to the 2023 budget approved for such Service Board in Article II, the amount required by Section 4.03.3 (c). The estimated amount of each appropriation is specified as "Part II Allocation; Remaining Balance to Service Boards" on Schedule I-D.

After receipt by the RTA of the proceeds of taxes imposed pursuant to Section 4.03 of the Act, and Public Transportation Fund receipts pursuant to Section 4.09 of the Act, the Executive Director of the RTA shall provide for the payment to each Service Board the specified appropriation.

1.3 Reduced Fare Reimbursement

There is appropriated, for expenditure by each Service Board pursuant to the 2023 budget approved for such Service Board in Article II, amounts received from the State of Illinois for reimbursement of revenues lost from providing reduced fare rides.

After receipt by the RTA of such funds from the State of Illinois, the Executive Director shall provide for the payment to each Service Board its proportionate share of the proceeds estimated to be received from the State identified as "State Reduced Fare Reimbursement" on Schedule I-A; provided that such funds shall not be distributed to the CTA unless and until a unit or units of local government in Cook County (other than the CTA) enters or enter into an agreement with the CTA to make a monetary contribution for such year of at least \$5,000,000 for public transportation.

1.4 <u>RTA Non-Statutory Funding - Public Transportation Fund, 15% Sales Tax, Other RTA</u> Revenues

- (a) There is appropriated, for expenditure by each Service Board pursuant to the 2023 budget approved for such Service Board in Article II, the amounts specified as "RTA Non-Statutory Funding PTF I" and "RTA Non-Statutory Funding Sales Tax I" on Schedule I-
- B. Pursuant to Ordinance 2022-47, approving the operations funding amounts for the

2023 operating budget and the 2024 - 2025 financial plan years, any amounts of PTF I received in excess of the PTF I receipts budgeted, as identified on Schedule I-A, shall be distributed to the Service Boards in the same proportion as the Service Board PTF I funds originally budgeted in that fiscal year. Any negative variance in PTF I receipts (i.e. receipts lower than anticipated) shall be borne by the Service Boards in the same proportion as the distribution of Service Board PTF I funds originally budgeted for that fiscal year. The Executive Director shall provide for the payment to each Service Board its share of "RTA Non-Statutory Funding – PTF I" and "RTA Non-Statutory Funding – Sales Tax I" provided that such funds shall not be distributed to the CTA unless and until a unit or units of local government in Cook County (other than the CTA) enters or enter into an agreement with the CTA to make a monetary contribution for such year of at least \$5,000,000 for public transportation.

(b) There is appropriated, for expenditure by Pace pursuant to the 2023 budget approved for Pace Suburban Service in Article II, the amount specified as "South Suburban Job Access Funds" on Schedule I-B from other receipts and revenues of the RTA.

Subject to receipt by the RTA of sufficient proceeds of taxes imposed pursuant to Section 4.03 of the Act, and from the Public Transportation Fund receipts pursuant to Section 4.09 of the Act, the Executive Director is hereby directed to provide for the payment of such funds described in paragraphs (a) and (b) as soon as may be practicable upon their receipt provided that each Service Board is in compliance with the requirements of Section 4.11 of the Act and this Ordinance.

Section Two: Appropriation to the Regional Transportation Authority

In 2023 there is appropriated, for expenditure for the operating purposes of the RTA (the "Agency") the amounts specified on Schedule I-A as "Agency Administration" and "RTA Regional Services and Programs", pursuant to the 2023 budget approved in Article II, from other receipts and revenues of the RTA.

In 2023 there is appropriated for transfer from the RTA's Fund Balance to the Joint Self-Insurance Fund (JSIF), funds to reimburse the insurance premium and associated fees for liability and terrorism insurance for the RTA System's Loss Financing Plan the amount specified on Schedule I-A as "RTA Joint Self-Insurance Fund (JSIF) Funding."

ARTICLE V GENERAL

Section One: Implementation and Dissemination

The Executive Director is authorized and directed to take appropriate action to implement and enforce this Ordinance and to prepare and disseminate the 2023 Annual Budget and Program of the RTA in accordance with the Act and the policies established herein. This shall specifically include the authority to enter into intergovernmental agreements (IGAs), Technical Services

Agreements (TSAs), or other agreements necessary to apply for or effectuate grants for projects specifically authorized herewith in the Five-Year Capital Program.

The Executive Director shall be further authorized to execute and enter into other IGAs necessary to effectuate or implement powers and duties of the RTA, so long as those IGAs do not exceed \$100,000 in value and are subject to funds appropriated by the RTA Board.

Section Two: Organization of the RTA

The Executive Director shall organize the staff of the Authority, shall allocate their functions and duties, and shall fix compensation and conditions of employment. The Executive Director shall develop, and modify as may be necessary, Agency policies regarding travel, business and relocation expenses, consistent with the Local Government Travel Expense Control Act.

Section Three: Non-Waiver of RTA Authority

Nothing in this Ordinance is intended to or shall have the effect of (i) creating an obligation on the part of the RTA to provide funding to the Service Boards in excess of their respective statutorily allocated portions of the proceeds from taxes and State funds actually received by the RTA, nor (ii) waiving any discretion the RTA may have under law to amend the amounts appropriated to the Service Boards under the Ordinance, subject to compliance by the Service Boards with terms and conditions established by the RTA. Furthermore, nothing in this Ordinance is intended to or shall have the effect of waiving any discretion the RTA may have under law to subject to review the determinations made in this Ordinance, including, but not limited to, setting recovery ratios for the Service Boards, establishing inclusions or exclusions of certain revenues or expenditures from the calculation of such recovery ratios, or determining the allowable uses of federal, state or local funds.

<u>Section Four</u>: Executive Director's Authority to Apply for Additional Funds

The Executive Director, and his or her designee, is authorized and directed to execute and file applications on behalf of the RTA with the United States Department of Transportation ("USDOT"), Federal Transit Administration ("FTA"), the Illinois Department of Transportation ("IDOT"), and any other funding agency (collectively the "Funding Agencies") for any monies available for funding of the RTA Annual Budget. The Executive Director, and his or her designee, is authorized to furnish such additional information, assurances, certifications, and amendments as the Funding Agencies may require in connection with such applications or the projects. The Executive Director, and his or her designee, is authorized and directed on behalf of the RTA to execute and deliver grant agreements and all subsequent amendments thereto between the RTA and the Funding Agencies. Further, the Executive Director, and his or her designee, is authorized and directed to take such action as he or she deems necessary or appropriate to implement, administer, and enforce said agreements and all subsequent amendments thereto on behalf of the RTA.

<u>Section Five</u>: Direction to File this Ordinance with Public Officials.

The Executive Director is authorized and directed to file the 2023 Budget and Program and a copy of this Ordinance with the Governor of Illinois, the Illinois General Assembly, the Comptroller of

the State of Illinois, the Mayor of the City of Chicago and the Auditor General of the State of Illinois, along with an appropriate certification that this budget and program meet the requirements of the Act.
